

Casual Playworkers(school holidays)

£9.25- £10.34 per hour

Crawley Play Service would like to hear from enthusiastic and energetic people who would like to join our play work team, and work within our childcare setting.

This unique casual opportunity actually allows our chosen candidate to work, during school holidays, within our childcare provision, if available.

Experience of working with children in group settings and an ability to work as part of a team is desirable, however, applications from those without practical experience will also be considered.

Most of the work will be Monday-Friday, during school holidays from 8am-6pm.

Please forward all applications, and enquires to Thomas Frances at Thomas.frances@ Crawley.gov.uk or on 01293 438708
