# 1. Introduction

- 1.1** This tenancy agreement is a legal contract describing the terms and conditions of your tenancy and your rights and responsibilities as a tenant. If there is anything you do not understand please contact your Housing Officer or seek legal advice before you sign this contract.
- 1.2** This tenancy agreement describes either your secure tenancy under the Housing Act 1985 or your introductory tenancy under the Housing Act 1996. Whichever tenancy you have, it is important for you to know that you have a number of rights and responsibilities.
- 1.3** It is important you understand that if you break any of the terms or conditions of this contract the council may commence legal proceedings against you. This could ultimately result in the termination of your tenancy and everyone living in your home being evicted.
- 1.4** The definitions section sets out the meanings of words used in this tenancy agreement.
- 1.5** Any reference to an Act of Parliament or regulation within this tenancy agreement includes any subsequent amendments to such legislation or regulations.
- 1.6** Where any term or condition of this tenancy agreement requires you to get written permission from the council, such permission will not be unreasonably withheld but it may be given subject to reasonable conditions.
- 1.7** For more information about Crawley Borough Council tenancies, such as practical suggestions and contact numbers, see the Tenants' handbook. You can view the handbook on the website and copies of the handbook are available on request from your Housing Officer.

- 1.8** Unless the contrary is stated or implied the rights and obligations set out in this agreement are intended to replicate the rights and obligations established by statute, such as by the Housing Act 1985, part IV. The contrary may be implied where, for example, rights and obligations are set out in the contract that either are not addressed by statute or where the statute gives the council a discretion.

# 2. Introductory tenancies

Section two applies to introductory tenants only.

- 2.1** An introductory tenancy is a tenancy for a trial period for the first 12 months (unless it is extended as described below). Introductory tenants have fewer rights than a secure tenant.
- 2.2** If you break any of the terms or conditions of this tenancy agreement, the council may decide to apply to the County Court for a possession order. This could ultimately result in the termination of your tenancy and everyone living in your home being evicted. Before the council applies to the court, it will serve you with a Notice to Terminate the tenancy and details of your right to request a review of its decision. The council can ask the court that you pay the council's legal costs if it makes an application to the court.
- 2.3** The council may decide to extend the introductory tenancy trial period if you breach any of the terms or conditions of this tenancy agreement. Before the council extends your trial period, it will give you a notice of its intention to do so and this notice will include details of your right to request a review of its decision.
- 2.4** If you keep to the terms and conditions of this tenancy agreement and the council has not started possession proceedings during the introductory period, then you will automatically become a secure tenant at the end of the introductory period.

- 2.5** Succession rights are limited to those allowed by sections 131 to 133 of the Housing Act 1996. In general this means that if you die whilst your tenancy is an introductory tenancy, your tenancy will pass to your husband, wife or civil partner if he/she occupied the property as his/her only or principal home at the time of your death. This is called 'succession'. If you do not have a husband, wife or civil partner the tenancy can pass on to a member of your family who occupied the property as his/her only or principal home at the time of your death if they also resided with you throughout 12 months immediately before your death. If a joint tenant dies the tenancy will pass to the other joint tenant and this will count as a succession.
- 2.6** As an introductory tenant you have the right to assign your tenancy to a person who is qualified to succeed to your tenancy. If you do this, this will count as a succession.
- 2.7** Whilst your tenancy is an introductory tenancy, you do not have the right to buy your property or to exchange your property with another tenant.
- 3.3** The council will not attempt to take possession of your home or take any other action without trying to discuss the matter with you beforehand.
- 3.4** If your home has special adaptations that you or your household do not need, the council may apply to the court for a possession order to take back your home provided suitable alternative accommodation is made available for you.
- 3.5** As a secure tenant, and as long as your tenancy remains secure, you have the right to assign your tenancy to a person who is qualified to succeed to your tenancy. If you do this, this will count as a succession.
- 3.6** If your tenancy started before 1 April 2012 then succession rights are limited to those allowed by s.87 of the Housing Act 1985 before it was amended on that date. In general this means that on your death your tenancy may pass to:
- (a) Your husband, wife or civil partner if he/she occupied the property as his/her only or principal home at the time of your death;
  - (b) In the absence of such a succession, a family member if he/she occupied the property as his/her only or principal home at the time of your death and resided with you throughout the period of twelve months ending with your death.
- 3.7** If your tenancy started on or after 1 April 2012 but before 1 April 2013 then a person may succeed to your tenancy in accordance with s.86A(1) of the Housing Act 1985 but if there is no person qualified to succeed under s.86A(1), then a family member may succeed to your tenancy pursuant to s.86A(2) following the same rules for family member succession as were contained in s.87 of the Housing Act 1985 before it was amended on 1 April 2012.

### 3. Rights of a secure tenant

- 3.1** As a secure tenant the council can only end your tenancy by obtaining and enforcing a County Court order for possession. In most cases, the court will only grant a possession order in relation to a secure tenant if it is satisfied that it is reasonable to do so.
- 3.2** The tenancy will only be secure while you occupy the property as your only or principal home. If at any time your tenancy ceases to be a secure tenancy the council may end it by giving you four weeks notice to quit.

- 3.8** If your tenancy started on or after 1 April 2013 then succession rights are limited to those allowed by s.86A(1) of the Housing Act 1985. In general this means that on your death your tenancy may pass to your husband, wife or civil partner (or a person who you lived with as if you were husband and wife or civil partners) if he/she occupied the property as his/her only or principal home at the time of your death. No other family member can succeed to your tenancy.
- 3.9** In certain circumstances, you have the right to buy your property. You should contact Crawley Borough Council if you want to know more about your right to buy.
- 3.10** In certain circumstances, you have the right to exchange your tenancy with another tenant.

## 4. Demoted tenancies

- 4.1** If you, any member of your household or any visitor/s cause anti-social behaviour the council may apply to the County Court to have your secure tenancy changed to a demoted tenancy. If the council decides to apply to the court for an order to demote your tenancy, it will give you a notice of its decision and details of your right to request a review.
- 4.2** If the council successfully obtains a court order demoting your tenancy this will mean that your tenancy is no longer a secure tenancy and you will only have the rights of an introductory tenant.

## 5. Rent

- 5.1** The term “rent” includes the weekly rent, service charges and any other weekly charges.
- 5.2** When you sign the tenancy you will be required to pay four weeks rent in advance.

### Paying your rent

#### Your responsibilities

- 5.3** You must pay the rent and any other money owed to the council under this tenancy agreement.
- 5.4** Rent falls due on a Monday and it must be paid in advance. You may pay your rent weekly or for any longer period such as fortnightly, four-weekly or monthly. However, the council will not consider that your rent account is in arrears if payment is made and received before close of business on the Friday in the week that it is due.
- 5.5** You can pay your rent in any of the following ways: by Direct Debit, by standing order, by debit or credit card, by internet banking, by cheque, by cash payment and by PayPoint. The council will charge you a fee for any payments made by credit card and the fee may change from time to time depending on what fee the council is being charged by your credit card provider. *(For more information about payment methods and current credit card charges please ask your Housing Officer.)*

### Changing your rent

- 5.6** The council may vary the amount of rent at any time provided it gives you notice in writing at least four weeks before any change.

## Joint tenant responsibilities

- 5.7** Each joint tenant is responsible for the rent. The council can recover all arrears owed to it from any individual joint tenant. This means that even if one joint tenant leaves all tenants continue to be responsible for rent, arrears and tenancy charges.

## Difficulty in paying your rent

- 5.8** If you have any difficulty paying your rent you or someone acting on your behalf must inform the council immediately.
- 5.9** If you do not pay your rent, the council may apply to the court for a possession order that could ultimately result in the termination of your tenancy and everyone living in your home being evicted. The council can ask the court that you pay the council's legal costs if it makes an application to the court.

## Provision of heating and hot water through a District Heat Network (DHN)

- 5.10** As your home receives heat and power from a DHN you will have to pay towards any heating and hot water you receive and the costs of the system. Your obligations are set out in a separate Heat Supply Agreement between you and us. Although the heat and power your home receives from any DHN is provided under that Heat Supply Agreement and not under the terms of this tenancy agreement, the heat and power your home receives from any DHN and your obligations under the Heat Supply Agreement are fundamental to how heat is provided to your home so those arrangements are part of this tenancy agreement. This means that if you fail to comply with your obligations in the Heat Supply Agreement, we will consider that to be failure to comply with your obligations under this tenancy agreement and may apply to a court to ask you to be evicted from your home. We will charge you the costs of taking you to court. Any Heat Supply Agreement between you and us is attached to this tenancy agreement.
- 5.11** You must pay the charges for the DHN to the company appointed by the council to manage the billing.

# 6. The property (your home)

## Living in your home

- 6.1** You must occupy the property as your only or principal home. If you no longer occupy the property as your only or principal home then the council may end your tenancy.
- 6.2** The council conducts audits of the properties it rents to tenants. If requested by a Housing Officer you must provide proof:
- (a) of your identity and of anyone living with you; and
  - (b) that you are living in the property.
- 6.3** If you leave your home for one month or longer you must notify your Housing Officer in writing of:
- (a) the dates of your absence; and
  - (b) the name and contact details of a nominated key holder in case of emergencies.
- 6.4** To avoid statutory overcrowding you must not have more people living in your home than the permitted number (this is shown on page one).

## Criminal, illegal or immoral activity

- 6.5** You, members of your household or visitors must not carry out or use your home or any common areas for any criminal, illegal or immoral acts such as:
- Cultivating, manufacturing, selling or conspiring to sell, using, possessing and/or dealing in illegal drugs or substances
  - Handling or storing stolen or counterfeit goods
  - Prostitution.
- 6.6** You should be aware that the council may apply to the court for a possession order (which may ultimately result in the termination of your tenancy and everyone living in your home being evicted) if you or a member of your household or visitor is convicted of an indictable offence committed in, or in the locality of, your home.

## Lodgers

- 6.7** If you are a secure tenant you may take in lodgers providing you do not have more people living in your home than the permitted number allowed, as detailed on page one. You must notify your Housing Officer in writing of the names and dates of birth of your lodgers within fourteen days of them moving in. Such notification will be in addition to any notification that you may need to give the relevant authority that administers any welfare benefits you are claiming. *(If you are an introductory tenant, you do **not** have the right to take in lodgers.)*

## Sub-letting

- 6.8** If you are a secure tenant and want to sub-let part of your home, you must get prior written permission from the council before you do so. The council will not give permission for more than the permitted number of persons allowed to live there, as detailed on page one. You must not sub-let the whole of your home. The council may prosecute any tenant who parts with the possession of the property or sub-lets the whole of it as provided for by the Prevention of Social Housing Fraud Act 2013. *(Note: If you are an introductory tenant, you do **not** have the right to sub-let the whole or part of your home.)*

## Running a business

- 6.9** You must not run a business from your home without first obtaining written permission from the council. Any request for permission must be made in writing and addressed to your Housing Officer at the Town Hall. When deciding whether to grant permission the council will consider factors such as the noise, any nuisance that may be caused to your neighbours or whether damage will occur to the property or common areas. Permission will not be granted if it would result in a breach of planning legislation.

## Pets and animals

- 6.10** If you live in a flat, no pets are allowed. You cannot keep or allow any dog, bird, fish, cat or other animal or reptile in the property; this includes animals accompanying any visitors.
- Guide dogs and other recognised assistance dogs will be allowed but you must get written permission from the council to keep a guide dog or other assistance dog.

- 6.11** If you live in a house you will need to get prior written permission from the council before you are allowed to keep an animal in your home.
- 6.12** You, members of your household or visitors must not allow any animal to frighten, annoy or cause a nuisance to any other person living in the locality of your home. Dogs must be accompanied by you or a responsible member of your household and kept on a lead when in common areas.
- 6.13** You must not keep any animal which causes or is likely to cause a nuisance, annoyance or disturbance to neighbours or others living in the locality of your home. Examples of this include, but are not limited to: allowing your animal to persistently foul in an inappropriate place, straying, barking, creating an offensive smell, inadequate control or creating any kind of health hazard. In these instances, the council may withdraw its permission for you to keep the animal(s) and you must then remove it/them from your home.
- 6.14** You must comply with the terms of the Control of Dogs Order 1992, whereby all dogs in public places are required to wear a collar with identification attached to it, including the owner's name and address.
- 6.15** You must not keep any dog listed under the Dangerous Dogs Act 1991 at your home.
- 6.16** In cases of cruelty to animals or where the animal is causing a nuisance, annoyance or disturbance to others, the council may give you written notice requiring you to remove it from your home. The council may also report these cases to the RSPCA or the Police.
- 6.17** You, members of your household or visitors must ensure that any animal kept at your home does not prevent an employee, contractor or agent of the council gaining access to your home.
- 6.18** You must not feed birds or other animals by putting food of any kind out onto communal areas, including grassed areas.

## Personal property

- 6.17** You are responsible for your personal property and the decoration of your home and it is your responsibility to take out insurance to protect them. The council is not responsible for the loss or damage of any personal property (whether they belong to you or someone else) no matter how they become damaged or lost unless the damage or loss is caused by the council's negligence. *(Note: The council strongly advises that you take out and keep current contents insurance that covers the contents of your home and third party damage to the contents of adjoining properties and personal injuries. The council has arranged a low cost contents insurance policy that is available for all tenants to apply for – see the Tenants' Handbook for further information).*

## Access to your home

- 6.18** You must allow council employees, their contractors, agents or other statutory bodies to enter your home at all reasonable hours to inspect your home or carry out any works.
- 6.19** You must also ensure their safe passage for inspecting, carrying out repairs, gaining access to roofs and loft spaces or for any other reason including the annual gas safety inspection.
- 6.20** You must not allow an accumulation of personal property to prevent or obstruct any inspection conducted by or on behalf of the council, or cause structural damage to the property or pose an environmental health risk. You will be asked to dispose of excess items if you cause such risks. If you refuse to dispose of excess items the council may enforce clearance by obtaining a court order.

*(Note: If you do not allow access to your home you could be putting yourself and your neighbours at risk and the council may take legal action to gain access to your home and you may have to pay the costs. You may also be prosecuted for obstruction. The council recommends that you ask for identification of any person seeking to enter your home who claims they are from the Council).*

- 6.21** The council will give you at least 24 hours notice of intended entry to your home by its employees/contractors or agents (except in cases of emergency, see 7.5).

## Ventilation and heating

- 6.22** You must make sure that at all times there is adequate ventilation and heating within your home and follow any advice given by the council to prevent condensation. If condensation occurs you will be responsible for any repair work, unless it occurs as a result of a fault in the property.

## Using appliances and equipment

- 6.23** You must use all domestic and council appliances and equipment in accordance with the manufacturer's and/or the council's instructions. You are responsible for all damage to your home or injury to people caused by your appliances and equipment.
- 6.24** You must take adequate care and precautions when bringing, storing, charging or using power scooters or other devices used to aid mobility to ensure that damage does not occur to your home.

## Motorbikes

- 6.25** You must not store or use mopeds, motor bikes, mini-motos or quad-bikes within the dwelling (meaning the house or flat in which you live), and you must not cause, allow, permit or encourage any member of your household or any visitor to do so.

## Schedules

- 6.26** You must comply with the terms and conditions set out in the attached schedule(s).

## Bicycles

- 6.27** Bicycles must be stored in the areas designated for cycle storage. They must not be stored in communal hallways, on balconies or other common areas.

## Balconies

- 6.28** You have the right to use a balcony if your home has one and you must:
- Keep the balcony clean and tidy
  - Not use any barbecue or other cooking equipment on the balcony
  - Not smoke on the balcony

- e) Not use a hosepipe on the balcony
- f) Not store any flammable or combustible items on the balcony nor allow any refuse, rubbish or scrap to remain on the balcony
- g) Not hang washing from the balcony
- h) Not keep bicycles on the balcony

**6.29** You must not climb over any balcony railings or guard rails or go beyond the perimeter of any balcony or roof terrace.

**6.30** You must not access any area of the roof of the block of flats at any time.

## 7. Repairs, improvements and alterations to your home

### The right to repair

**7.1** Some repairs are covered by regulations, which means that by law the council must carry out certain small, urgent repairs which are likely to affect your health, safety or security within specified timescales.

**7.2** You must give the council clear notice that your home requires repair. This can be reported by telephone, in writing, via the website and by visiting the Town Hall.

*(Note: For more information about your rights, please refer to the Tenants' Handbook or contact your Housing Officer).*

### Heating and hot water

**7.3** There is no gas supply to our home and you must not install one. Heating and hot water is supplied by the District Heat Network. You are unable to choose your own supplier.

### Your responsibilities

**7.4** You must look after your home in a reasonable manner and make sure your home remains in good condition at all times.

### Internal decoration

**7.5** You are responsible for decorating the inside of your home and ensuring you keep it in a clean and well-decorated condition. You must not apply textured coatings to the internal walls and ceilings of your home.

### Emergency access

**7.6** In an emergency, the council or any person authorised by the council may require access to your home. In the event that your home is unoccupied or access is unreasonably denied, the council may use reasonable force to gain entry to your home without giving you any formal written notice. Upon completion of the works and/or inspection, your home will be secured properly and repaired if necessary.

An emergency in these circumstances is when either your home or another person's property and health and safety is deemed to be at imminent risk of harm, such as where there is a suspected fire, burst water pipe, gas leak or electrical fault. In the event that access is unreasonably denied, you may be prosecuted for obstruction.

**7.7** You must immediately report any defects or damage to your home which are the responsibility of the council and enable the council to arrange for inspection and/or repair(s) to be carried out. For contact information please refer to the Tenants' Handbook.

### Alterations and improvements

**7.8** You have the right to carry out alterations, additions or improvements to your home provided you first obtain written permission from the council. Any request for permission must be in writing and addressed to your area surveyor at the Town Hall. Alterations and additions include any alterations to the electrical installations (such as those in 7.8). You may need to obtain planning and building control permission prior to permitting any work to start. Future maintenance of any improvements will be your responsibility.

### Paying for works

**7.9** The council may require that you pay for the cost of any reinstatement works to your home if you have had any alterations, additions or improvements carried out (or arranged to be carried out) without written permission from the council.

**7.10** You are responsible for any deliberate or negligent damage to your home or common areas caused by you, any member of your household or visitor. This means you must arrange for and pay the cost of repairing any damage. You are also responsible for any substandard works or repairs that you arranged to be carried out to your home, meaning that you must have the works or repairs redone to a good standard. You must also take all reasonable measures to ensure that your family and other persons do not cause wilful or negligent damage to your home or common areas.

### Lofts

**7.11** No storage of items in the loft of your home is permitted where there is upgraded levels of loft insulation (150mm and above). - The property is adequately secured to prevent unwanted access by people not invited by you to live there
- The property is adequately heated at all times
- You turn the water off at the mains if you will be away for a long period during cold weather.

### Gardens

**7.13** If your home includes a garden, you must at all times keep it cultivated, neat, tidy and free from rubbish, pests and weeds. You must also maintain any trees so as not to endanger the health and safety of people in the vicinity or cause damage to any other property. You may be recharged for the cost of any necessary clearance or maintenance work undertaken by the council.

### Smoke detectors

**7.14** You are responsible for maintaining any battery-operated smoke detector and ensuring it is always in good working order.

### The council's responsibilities

**7.15** The council will be responsible for repairing and maintaining the structure of your home. (For further details, see the Tenants' Handbook).

**7.16** If you are a secure tenant and have made alterations additions or improvements to your home the council will only repair them if the council has agreed in writing to maintain and repair them.

**7.17** The council is not required to carry out works or repairs for which you are responsible under the terms of this tenancy agreement.

**7.18** The council is not responsible for repairing internal decorations affected by improvement works carried out at your home unless the damage to the decoration has been caused as a result of negligence on behalf of the council.

**7.19** The council is not responsible for the removal and replacement of any furniture or floor coverings that have to be moved to enable repair or improvement work to be carried out.

### Electrical checks

**7.20** The council has a statutory duty to ensure the electrical installation in your home is safe and will carry out cyclical periodic inspections. You must provide access for this safety check and any resulting repairs to be performed.

  - Where the sole tenant dies and there is no person who is eligible to succeed to the tenancy
  - If you abandon the property, or sub-let or leave the property without giving the council vacant possession. In this case, the steps the council may take include issuing you with a 'notice to quit' or other appropriate notice at your last known address.

## The following applies to both introductory and secure tenants

- 9.9** Any notice the council wants to serve on you may be served personally or by first class post addressed to you at the property or your last known address. The council may also leave any notice at the property by posting it through the front door or otherwise by affixing it to a conspicuous part of the property.
- 9.10** Delivery of a notice by any of the ways set out in 9.9 above will constitute good and proper service.

## 10. False statement

- 10.1** You or someone acting on your behalf must not make a statement:

## Schedule 2

# Car Parking Policy

The development of John Brackpool Close comprises of a block of 32 flats and 5 houses, 37 properties in all.

There are parking bays available for 31 properties with no visitor parking which means that parking spaces need to be managed by Crawley Homes for Crawley Borough Council (“Crawley Homes”) in a fair and consistent way. Parking bays will therefore be available to rent for a weekly charge to cover the cost of administering the scheme.

### Entitlement:

- Parking bay licences will only be issued to those living in John Brackpool Close
- Only one parking bay licence per property will be issued (however Crawley Homes may issue additional licences in the circumstances set out below)
- Priority will be given to those with a current valid Disabled Parking Badge permit issued by West Sussex County Council.
- Parking bay licences will not be issued to council tenants who have dwelling rent arrears.

### Waiting list:

- Licences will be issued on a first come, first served basis and if a parking bay is available priority will be given to the following:
  - o Those with a valid Disabled Parking Badge permit
  - o The occupiers of 1 John Brackpool Close will be given priority for the specific parking bay marked I immediately outside their property
  - o The occupiers of 2 John Brackpool Close will be given priority for the specific parking bay marked H immediately outside their property.
- If more applicants apply for a parking bay license than there are available parking bays, a waiting list system will be operated and managed by Crawley Homes.
- If a parking bay becomes available and there is a waiting list the next parking bay that becomes available will be allocated to the next person on the waiting list unless the parking bay is required for a person with a valid Disabled Parking Badge permit or to 1 and/or 2 John Brackpool Close when the specific space available is outside their respective property.
- If a person with a valid Disabled Parking Badge permit requests a parking bay and none is available, the council can in its absolute discretion, terminate the licence of any parking bay, particularly those marked AA, AB, and AC, and allocate one of those bays to a person with a valid Disabled Parking Badge permit. Where possible an alternative parking bay will be offered.

### Parking

- Only vehicles with a current MOT, road tax fund licence and valid motor insurance can be parked in a designated parking bay with a valid parking bay licence.

### Changing bays

- A licensee may be asked to change parking bays if a tenant has a valid Disabled Parking Badge permit. Where possible an alternative parking bay will be offered.

### Additional parking bay

- If there are any un-licensed bays available, an applicant who has already been granted a licence and still meets the conditions for the grant of a licence, will be allowed to rent an additional parking bay on a periodic three month licence.

- If a valid application for a first licence is made by another resident a licensee of a second parking bay will be required to give up one of their bays. A Notice to quit the licence will be served if the second licence is not voluntarily given up.

#### **Application:**

- An applicant must complete an application form and provide proof of ownership and insurance of a particular vehicle, registered to an address in John Brackpool Close, including registration plate, make, model and colour of the vehicle. A permit will then be issued to be clearly displayed in the front windscreen when parked in the bay.
- If additional vehicle(s) per household wish to use the same bay, proof of ownership/registration of all vehicles at the address in John Brackpool Close must be supplied to Crawley Homes.
- A Direct Debit must be set up for monthly payment in advance as part of the application.

#### **Payment:**

- Payment is to be paid monthly in advance by Direct Debit

#### **Non-payment arrears:**

- Non-payment of the license fee will result in a notice to quit being served. After expiry of the Notice to Quit, if possession has not been given to Crawley Homes, Crawley Homes may cut off the padlock locking the bollard to the parking bay and replace it with one of our own. There will be a fee to unlock this to give access to any vehicle still parked in the bay.

#### **Security/enforcement:**

- The licensee of the parking bay must provide their own padlock in order to lock/unlock their own bollard. If the licence holder does not secure their parking bay with the locked bollard, Crawley Homes cannot enforce the removal of another vehicle from the bay. It is the responsibility of the licence holder to secure their bay when not in use.
- Crawley Homes cannot enforce the parking bay system, although will attempt to identify and write to those responsible.
- The Council will not provide or replace padlocks to bollards.
- The cost of rectifying any damage to the bollards caused by the licensee or a third party will be charged to the licensee. Any damage must be reported to Crawley Homes immediately and Crawley Homes will repair or replace the bollard. The licensee must not carry out any repair works. The licensee may be able to claim on their own insurance for any damage to a bollard, or from the insurance of the driver responsible.
- Crawley Homes is not responsible for any damage caused to the licensee's car and/or property whilst parked in the bay.

#### **Misuse of the bay:**

- If the parking bay is not going to be used for a period of 4 weeks or more you must tell Crawley Homes that the parking bay is not going to be so used and the reason for non-use.

#### **Ending the licence:**

- The Council may end the licence in the following circumstances by giving written seven days written notice to the licensee:
  - o The licensee breaches the terms of the licence agreement
  - o The parking bay is required for an applicant who has a valid Disabled Parking Badge permit
  - o The Parking Bay is required for the better management of parking in John Brackpool Close.
- The licensee can end their licence by giving seven days notice in writing to Crawley Homes (or less by agreement with Crawley Homes)
