

## 2020/21 BUDGET - OVERVIEW

### 1. SUMMARY OF MAIN BUDGET PROPOSALS AND COUNCIL TAX

#### Overview

The 2020/21 Budget was approved by Full Council on 26<sup>th</sup> February 2020.

The Budget reflects the policy objectives set out in the Budget Strategy 2020/21 to 2024/25. The key elements of the 2020/21 Budget are:

- A Council Tax increase of £4.95 a year for a Band D property (2.43%)
- Savings, efficiencies and increased income of £628,000
- A transfer to reserves of £1,169,550

Capital spending plans provide for a total of £195.7 million to be spent from 2019/20 to 2022/23. This includes schemes such as a new town hall, works at Three Bridges Station, improvements to play facilities, waterways & drainage management and an ambitious programme of building housing stock.

The capital and revenue budgets for each service are contained in this Budget Book.

### 3. Local Government Finance Settlement

The Government determines the amount of grant it will provide to the Council and the basis on which the estimated amount of business rates the Council will retain are determined. The following table sets this out in terms of the Settlement Funding Assessment:

	Revenue Support Grant £	Business Rates £	Total £
Settlement Funding Assessment 2019/20 *	59,107	3,584,523	3,643,630
Provisional Settlement Funding Assessment 2020/21	60,070	3,642,926	3,702,996
<b>Change in year</b>	<b>963</b>	<b>58,403</b>	<b>59,366</b>
<b>Percentage Change</b>	<b>1.63%</b>		

\* These figures do not take into account adjustments as a result of the Council entering into a business rate pilot in 2019/20

#### 4. Retained Business Rates

Every non domestic property in the country has been revalued, these valuations will be based on non-domestic properties' rateable value at April 2017. The amount Businesses pay is based on the property valuation multiplied by a 'national rate multiplier'; there are two multipliers, one for small and another for standard businesses.

Although the Council will collect in excess of £124million in business rates, the amount it retains is much smaller. One of the main reasons for this is that the Government retain 50% of the rates collected and West Sussex County Council retain 10%. The second main reason is that the Council also has to pay a significant tariff to the Government. There are further complications in that the Council's retained share can be added to by a safety net payment or suffer a further levy. These are applied if the Council's retained share is more than 7.5% below Government set figure (safety net) or above it (a levy of 50%).

The Tables below show that we are estimating to collect almost £124.4m but will keep significantly less.

Projected non-domestic rates income	£124,349,722
Government share (central share 50%)	-£62,174,861
West Sussex County Council share (10%)	-£12,434,972
Crawley Borough Council share (before tariff & levy)	<b>£49,739,889</b>

The projected retained rates amount for 2020/21 is set out in the table below.  
£

Council's share of non-domestic rates income	<b>49,739,889</b>
Tariff	-42,592,432
Levy	-2,329,854
Additional rates due to renewable energy at K2 Crawley	5,120
S31 Grants	1,262,413
Sub Total	6,085,136
Surplus in 2019/20 financial year	258,698
<b>Total</b>	<b>6,343,834</b>

Under rating regulations we are able to retain an additional £5,120 in business rates as we determined the planning application which led to K2 becoming a '*designated renewable energy project*'.

There is also budgeted income of £1,262,413 in respect of Section 31 Grants, this is to reimburse the Council for business rate reliefs, including small business rate relief given by the Government which have reduced the retained rates that the Council would otherwise have received. Section 31 of the Local Government Act 2003 allows a Minister of the Crown to pay a grant to a local authority of England towards expenditure incurred by it.

The Department for Communities and Local Government has advised the provisional business rate multiplier for 2019/20 as follows

- i) Standard Multiplier – 51.2p per £ (50.4p in 2019/20)
- ii) Small Business Multiplier – 49.9p per £ (49.1p in 2019/20)

## 5. COUNCIL TAX LEVEL

Crawley will be increasing its Council Tax for 2019/20 by 2.43% West Sussex County Council by 3.99% and the Sussex Police and Crime Commissioner by 5.27% precept separately on Crawley, and the tax level for their services are shown in the following table:

	<b>2020/21</b>	<b>2019/20</b>
Crawley Borough Council	208.89	203.94
West Sussex County Council	1,438.74	1,383.57
Sussex Police & Crime Commissioner	199.91	189.91
<b>Total Charge (Band D)</b>	<b><u>1,847.54</u></b>	<b><u>1,777.42</u></b>

For Crawley the average tax payable will be £1,642.26 as the highest proportion of properties are in Band C.

West Sussex County Council have increased their Council tax by 1.99% for their services with a further 2% as an Adult Social Care levy, this additional sum may only be spent on this care.

The collection of Council Tax is a statutory function of the Council to support the delivery of services and thus indirectly supports all Crawley Borough Council, WSCC and the Sussex Police and Crime Commissioner. Council Tax is collected from over 45,000 properties, collecting over £66m. For each £1 collected the council retains 11.3p with 77.9p paid over to West Sussex County Council and 10.8p to the Sussex Police and Crime Commissioner.

Collection of Business Rates indirectly supports all Crawley Borough Council and WSCC services.

Although the Council will collect in excess of £124 million in business rates the amount it retains is much smaller. One of the main reasons for this is that the Government retain 50% of the rates collected and West Sussex County Council retain 10%. The second main reason is that the Council also has to pay a significant tariff to the Government. The estimated amount that we will retain in 2020/21 is £6.3m.

The granting of discretionary rate relief is a direct means of supporting some 100 voluntary organisations, each of which is contributing to one or more of the Council's corporate themes. From April 2013, it is included in the financing arrangements described above. Small Business rate relief reduces the costs of small businesses across the town.

Corporate Management includes all activities which local authorities engage in specifically because they are elected multi-service authorities. The cost of these activities is thus over and above the costs which would be incurred in managing all the various services if they were run by single-purpose authorities.

This includes expenditure such as Statutory External Audit and Council-wide subscription costs.

Corporate Costs include costs that are not directly related to individual services but which are incurred in respect of the Council as a whole.

The Council is required to provide a free collection of household waste under the Environmental Protection Act 1990. A Contract with Biffa Municipal Ltd commenced on 1<sup>st</sup> February 2014. The service consists of a weekly edge of property collection of residual waste and a fortnightly collection of co-mingled recyclables.

A request for “prescribed” household waste is also operated. This “bulky waste collection” service is chargeable and collects goods such as fridges and freezers, as well as bulky items of furniture. Currently, the service has a concession of one free collection per year to residents receiving certain supplementary benefits.

The REDtop recycling service enables food and drink cans, aerosols, foil, plastic bottles, pots, tubs and trays, paper, card, glass bottles, jars and cartons/tetra packs to be collected fortnightly from one container. In addition, collections of textiles and small electrical items are undertaken at the same time as the other collections.

Most “bring” sites have now been phased out. One site remains at Langley Green shopping parade. A range of charity bring banks are available at sites around the town.

Green garden waste is collected from green bins. This GREENbin service is ‘opt-in’ and chargeable, with fortnightly collections from March to November each year.

**PORTFOLIO:****ENVIRONMENTAL SERVICES & SUSTAINABILITY****SERVICE:****DOG CONTROL****CMT RESPONSIBLE OFFICER:****HEAD OF COMMUNITY SERVICES****Service Outline**

This is a statutory service that is provided by the Community Wardens who are all trained as dog wardens. The service operates 365 days per year, 24 hours per day and is open to all residents of Crawley. The service responds to calls from various sources and will arrange to collect any stray dog that is reported, they are then assessed and scanned for ownership and transported to a secure kennel where they are kept for a maximum of seven days if no owner is identified.

At the end of the seven days of kennelling a suitable home will be sourced using a variety of appointed re-homing centres across Sussex and Surrey. Injured or sick dogs that require medical assistance are taken to an appointed veterinary surgeon for care.

Crawley Borough Council has been awarded with the RSPCA's Community Animal Welfare Footprints (CAWF) which covers four areas of work, or Footprints, that impact on animal welfare, these are:-

- Stray dog services
- Housing
- Contingency planning
- Animal welfare principles

Crawley Borough Council has achieved gold in this award. In addition to this award the Community Wardens have received a Special Recognition Award from the RSPCA for their high standards of animal welfare - only the third council to achieve this throughout England and Wales.

**Civil Parking Enforcement (CPE)** – Is the management of the Controlled Parking Zones (CPZ) and all other on-street parking restrictions to enforce compliance under the Traffic Management Act 2004.

It was introduced in Crawley Borough Council in April 2010 and its objective is to increase compliance through clear, well designed, legal and enforced parking restrictions.

Crawley Borough Council works under an agency agreement for West Sussex County Council to carry out this function. This includes the issuing of permits and enforcement of the Controlled Parking Zones (CPZs) via the issue of Penalty Charge Notices for non-compliance.

Crawley Borough Council manages two off-street pay and display car parks on behalf of the County Council, Crawley Library and Centenary House (weekends only).

**Street Cleansing**

Street Cleansing is a mandatory service under the Environmental Protection Act 1990 and is responsible for the cleansing of all public highway and council owned land within the Borough, including: 330km of road, 85km of remote footpaths and 112,000 square metres of car parking and other open areas.

Crawley Borough Council recognises that the cleanliness of the street scene is also a significant contributor to civic pride and people's sense of well-being.

The service provides for a dedicated cleansing team in Crawley Town Centre working shifts which cover the main busy shopping times. Neighbourhood shopping parades\*, are cleansed daily and all residential streets, alleys and footpaths within the Borough are swept and litter picked regularly.

There are over 400 litter bins and 450 dog faeces bins within the Borough which are emptied at least weekly, but more frequently in areas of heavy use. The service operates a responsive service clearing reported fly-tipping and deep cleaning furniture and high footfall footpaths/areas.

The service actively supports groups of residents or businesses who work together to help maintain and improve their local area with events and activities under the award winning 'Let's Face It' banner as well as running campaigns which are designed to reduce litter, backed up by enforcement of the Clean Neighbourhood and Environment Act 2005. The service works closely with the Community Warden Service on targeted enforcement activities and the issuing of on-the-spot fixed penalties.

\*Shires Parade (The Ridings), Pound Hill and Broadfield Barton shopping parades are privately owned and not maintained by Crawley Council.

**Graffiti Removal**

To keep Crawley free of offensive and disfiguring graffiti, a graffiti removal partnership was established in 2006 between Amenity Services, Crawley Homes and West Sussex County Council. The team are employed to ensure the co-ordinated removal of graffiti & fly-posting from public view within the Borough boundaries and to protect regularly disfigured walls with protective coatings. The team also work closely with the police to provide evidence on offenders.

**Verges**

The Authority, through a partnership with WSCC, maintains in excess of 200 hectares of grass verges and shrub areas.

All 'urban' grass verges are mown and/or strimmed regularly during the spring, summer & early autumn. Green landscape care is fully harmonised so that there is no difference in quality between highways, housing estates and open amenity land, although areas identified as "conservation grassland" are allowed to grow longer to encourage diversity of flora & fauna species.

With effect from April 2012 the financing system for local authorities with retained housing stock changed granting councils more freedom over their assets, and retaining all the revenues raised from its properties.

The HRA reform is contained within the Localism Act. From April 2012 the way that Council housing is financed moved from annual subsidies controlled by central government to a locally devolved one.

In return Crawley accepted a large debt of £260 million secured against the housing stock, repayable over the next twenty five years.

Transitional Rent Rebate benefit subsidy is paid until rent equalisation is achieved.

The community centres are managed with the aim of providing facilities that are easy to use and provide spaces that meet the needs of the diverse range of groups, organisations and individuals of Crawley.

The demand from regular hirers is constant, with use from occasional hirers on the increase. Local residents benefit from the wide range of activities now on offer at the centres, activities that are in the main provided by local groups and organisations.

The growth in the demand for space within the community centres, coupled with efficiencies in their operations, has enabled a continuing reduction in the net operating costs for the service.

Crawley Borough Council contributes to the Crawley's Museum Service from the voluntary sector grant budget. For the 2020/21 the amount of funding given to the Crawley Museum Service will be £50,000. This will be further reduced when the Museum Society is self-funding.

The Crawley Museum Service, comprising of 'The Tree' (a historic building in Crawley town centre) and Ifield Watermill, is operated by volunteer staff through the Crawley Museum Society and supported by a core professional resource comprising a full-time Curator and a full-time Learning and Liaison Officer.

In addition to the public opening of both facilities, the society provides tours, lectures, advice on local history issues and an education service to local schools and youth organisations.

Crawley Museum Service has worked to develop links and partnerships with a range of organisations in the town in an effort to increase the impact of its outreach work and raise the profile of the service in the town.

There are over 20 public art works around the town and opportunities for new works continue to be explored as part of new commercial and residential developments.
