

## Crawley RFC Premises Plan and Outdoor Drinking Area

This document shows an overview 3 areas proposed for outdoor consumption of alcohol, followed by pictures of each area:

- (A) Boundary areas marked for spectators watching matches on Pitch 1.
- (B) Outdoor event area perpendicular to the clubhouse.
- (C) Around the outdoor serving area.

# Area A

The picture on the left if shows the boundary area around the touchline of the pitch where spectators can watch the match whilst enjoying their drinks.

Similarly, the picture on the right shows the touchline area for spectators as stretches around the pitch end area.

## Area B

The image to the right shows the area for outdoor events, e.g. comedy evenings, where an outdoor audience are setting on the pitch and the noise of the performer is projected away from the tenants and with the clubhouse building in between.

The image below shows the view the audience members will see with the performers at ground level.

# Area C

The image to the right shows the outdoor service area for outdoor events, with seating and close to the boundary of Pitch 1.
