

## HACKNEY CARRIAGE & PRIVATE HIRE

### APPLICATION FOR DRIVER LICENCE

### FULL GUIDANCE NOTES FOR NEW & RETURNING

#### DRIVERS

These Guidance Notes are not exhaustive, nor are they intended to offer legal opinion. They may also be revised from time to time. Applicants are advised to seek their own legal advice in the event of any queries and/or to speak to the Taxi Licensing Service about an application. The Council email for the Service is [taxis@crawlley.gov.uk](mailto:taxis@crawlley.gov.uk)

The Council has produced a Hackney Carriage and Private Hire Licensing Policy, last updated in 2023 and is kept under review and amended from time to time via the Councils Delegated Officers and/or the Councils Licensing Committee. As part of the Policy review, the Council gave due consideration to the Department For Transport's Statutory Standards and included the relevant parts [Statutory-taxi-and- private-hire-vehicle-standards 2020](#)

In addition, the Council has had due regard to the Taxi and Private Hire Best Practice Guidance 2023 [Taxi and private hire vehicle best practice guidance - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/taxi-and-private-hire-vehicle-best-practice-guidance)

The latest Hackney Carriage and Private Hire Licensing Policy covers all aspects of the hackney carriage and private hire regime. All applicants, both new and current licence holders are strongly recommended to read the Policy in full as applicants will be asked to demonstrate your knowledge and understanding of this. Further information on the Council's Hackney Carriage and Licensing Policy can be found here: [Private Hire and Hackney Carriage Licensing Policy From 01042022](#)

Please note that this Policy is kept under constant review and may be subject to change. It is a key document and the applicant and/or licensed drivers responsibility to ensure that they remain up to date and comply with the terms of this Policy, alongside relevant legislation and licence conditions/bylaws.

The primary and overriding principle of the hackney carriage and private hire licensing regime is public safety. In determining applications, the Council must determine whether an applicant is fit and proper to hold a licence.

In determining an application, individuals are required to declare all convictions cautions, warnings, convictions and other offences including all driving matters to include offences, warnings and any other penalties. The Council as Licensing Authority is entitled to consider all convictions spent or otherwise under Section 7(3) Rehabilitation of Offenders Act 1974.

Applicants must also disclose to the Council if they are subject to investigation, on bail and/or are awaiting trial for any matter.

Applicants must also disclose all medical matters at the time of application and any change to this and associated medication during the application process and if licensed, immediately and in any event before driving a licensed vehicle.

Each application is considered on its own merits.

PAYMENT MUST BE MADE AT THE TIME OF APPLICATION AND IS NON- REFUNDABLE.

PAYMENT DOES NOT GUARANTEE THE ISSUE OF A LICENCE, NOR DOES IT CONVEY AN INDIVIDUAL WITH THE RIGHT TO OPERATE AS A LICENSED DRIVER UNTIL ALL PARTS OF THE LICENSING PROCESS ARE COMPLETE.

THE TAXI LICENSING SERVICE CANNOT PROCESS YOUR APPLICATION UNLESS & UNTIL THE RELEVANT PAYMENT IS MADE

## **Hackney Carriage Drivers Licence (HCD)**

A Crawley Borough Council Hackney Carriage Driver may drive a 'public hire' vehicle licensed by this Authority. The vehicle must have public hire insurance, may use appointed 'Taxi' ranks in the Borough and may also be 'hailed' in a street. Persons holding a HCD licence and operating a licensed vehicle are bound by bylaws as well as other licence conditions. Hackney Carriage Vehicles are often referred to as "taxis" although this is also a generic term that can be used to refer to both hackney carriage and private hire vehicles

## **Private Hire Drivers Licence (PHD)**

A Crawley Borough Council PHD may drive a 'private hire' vehicle licensed by this Authority, must have 'private hire' or 'hire and reward' insurance, must drive on a circuit for a Crawley Borough Council licensed 'Operator', whilst on this circuit. All 'hire and/or reward' passengers must be pre- booked only through the 'private hire operator'. A PHD may not use or park a vehicle on or near any appointed 'Taxi' rank (this may be deemed as plying for hire.) A PHD may not drop-off or pick-up any passenger on or near an appointed 'taxi' rank and may not be 'hailed' in the street.

## **Fit & Proper Person Test**

There are several requirements to be satisfied before the Council decides whether to grant a licence to an individual driver, private hire operator or vehicle proprietor. The Council must be satisfied that an applicant is a "fit and proper" person before it may grant a person a driver or operator licence. There is no statutory definition of "fit and proper." The Council expects applicants to comply with the requirements of hackney carriage and private hire law/bylaws, licence conditions and the Councils Hackney Carriage and Private Hire Policy, [Private Hire and Hackney Carriage Licensing Policy From 01042022](#)

It expects all licence holders to always comply with the requirements of all relevant legislation, the conditions of licence and the Council's Penalty Points and Code of Conduct Scheme. Please note that once a licence is granted, a licensed driver and/or vehicle remains such for the duration of that licence and drivers/vehicles are expected to comply with the law,bylaws/ licence conditions and requirements and meet the required standards.

Any failure to do so may lead to refusal of an application, prosecution and/or enforcement action against the licence holder (including suspension, revocation, or refusal to renew) or the imposition of Penalty Points under the Council's Penalty Points Scheme. Additional conditions or requirements may also be imposed where considered necessary.

If there is any doubt as to the suitability of a person to act as a licensed driver, the matter may be referred to Health, Safety and Licensing Manager and/or the Head of Service, Community Services for consideration and determination.

Applicants are expected to notify the Council of **any change** to their circumstances after they have submitted an application, during consideration of this application and before it is decided, including any if they have been charged with a criminal offence and/or any cautions, warnings or driving endorsements, if there is a change to their medical condition, medication taken or changes to their driving (DVLA) record and associated DVLA Driving Licence or other consent to drive.

**In summary all applicants for the grant of a driver's licence, must satisfy a range of criterion, including the following:-**

**1. DRIVING HISTORY**

- (a) Have held or be in possession of a full UK driving licence for at least **12 months** and present same for inspection at the time of application. The expectation of the Council as Licensing Authority is that all applicants will hold a full, clean driving licence without endorsement(s.) However, applicants with **no more than 3 points** on their DVLA licence at the time of application and who have a good track record of compliance with Road Traffic Acts, the Highway Code, hackney carriage/private hire legislation, safeguarding obligations and any other regulatory framework relevant to their role(s) and other legislation , Careful consideration will be given to the suitability of applicants where there is a history of non compliance in relation to driving matters, such as disqualification from driving, driving endorsements and Penalty Points on any DVLA Driving Licence and whether they are fit and proper to hold a licence. Regard will also be had to any Council Penalty Points, warnings and feedback from other Licensing Authority if licensed previously or elsewhere.
- (b) Applicants to submit a completed DVLA Driving Licence Disclosure Form. This will be provided and can be completed at the time applicants are submitting an application. This allows the Council as Licensing Authority to carry out checks on an applicants DVLA driving licence using a checking facility called DAVIS (or other nominated system) This must be completed in full to allow the application to progress.
- (c) If an applicants DVLA licence is revoked or applicants are disqualified for any reason, the Council will consider the refusal and/or revocation of your Private Hire or Hackney Carriage Driver's Licence if it is a new applicant or an already licensed driver who holds such a licence, The application may be refused and a new licence will not be issued if the applicant is applying for the first time. This will be considered carefully within the context of public safety and compliance.

**2. GROUP 2 (GROUP II) MEDICAL CERTIFICATE**

A medical must be carried out on the Council's prescribed form **by your own medical practice and your own GP**. The medical assessment will be carried out to Public Service Vehicle (PSV) DVLA Group 2 specification.

The Council requires all applicants and drivers to pass a Group 2 Medical Test to confirm an individual is "fit and proper" to hold a licence. This medical must be completed to the satisfaction of the Council **before** a licence can be issued. The Council will only accept a medical certificate produced on the Council's prescribed form. No other form of certificate will be accepted. This will be referred to the Council's Nominated Medical Practitioner for comment. **Applicants will be required to cover the cost of any medical assessment by the Council's Nominated Practitioner.**

The Medical Form will be provided when applicants submit an application. A medical is required every three years until you reach the age of 60 and then annually from the age of 60. If there are matters needing clarification or further queries or concerns regarding an applicant's medical fitness, either at the point of application or during the term of any licence, the case will be referred to the Councils Authorised Medical Practitioner for their expert view.

**Applicants will be liable for the cost of this initial assessment, any referral and subsequent report from the Councils Nominated Medical Practitioner.**

Please note that this is **usually** the last stage of the licensing process, unless there are any specific concerns regarding an applicant's medical fitness and their ability to attain Group II Medical Standards.. in which case an earlier medical assessment may be requested in order to prove that an applicant is able to meet of the required Group II Medical standards.

### 3. **ENHANCED CRIMINAL RECORD CHECK & DBS UPDATE SERVICE**

- On the day applicants submit an application to become a licensed driver, applicants will be required to complete an Enhanced DBS (Disclosure & Barring Service) Disclosure Application Form, in the presence of a member of the Taxi Licensing Service. . Applicants will need to bring various forms of identification for this to proceed

**It is key that you disclose all matters.**

This check will take place as part of the application process, and then every **6 months** after that time.

**It is now compulsory for individuals wishing to remain in the Taxi Trade to subscribe to the DBS Update Service and you will be reminded of this when you apply.**

It is an individual's responsibility to maintain an active membership of the DBS Update Service. It enables the Council to carry out appropriate checks during the currency of a licence and helps to ensure that applicants, and current licence holders remain "fit and proper."

Failure to subscribe and maintain this may result in an application being refused or deemed invalid, and may result in the suspension or revocation of a licence if already held

- (b) Applicants will need a full 5 year address history, showing the month and year that you moved into and out of each address. Applicants may be asked to provide proof of these addresses.
  
- (c) Applicants who have resided or spent time outside the UK for all or any part of the 5 years, prior to the date of application will be required to submit official and certified written confirmation of their good character, from the country(s) in which they have lived during that 5 year period.

This information, known as a Certificate of Good Conduct will need to be translated into English if necessary and verified in writing as accurate and reliable by the country(s) corresponding Embassy(s) in London. It must be an original and validated Certificate.

**If you cannot provide this information, your application cannot proceed.**

- (d) A DBS Disclosure from any other organisation will not be accepted unless that original certificate can be provided, and it has been registered and remains registered with the DBS Update Service. They are not transferrable.
  
- (e) All parties must make themselves aware of the DBS Good Practice Guidance [DBS Best Practice](#)
  
- (f) As referenced above, once you have a DBS disclosure, applicants **must** register with the DBS Update Service as it is now a compulsory part of the process for all applicants and existing licence holders.

By registering applicants will no longer need to do a face to face or other DBS application **unless you circumstances have changed**. However, to maintain applicant Update status, applicants will be required to pay an annual subscription fee to the DBS Update Service Please contact the Taxi Licensing Service, the DBS Update Service or seek your own independent advice for further information.

- (g) Applicants are reminded to familiarize themselves with the DBS Privacy Policy [www.gov.uk/government/publications/dbs-privacy-policies](http://www.gov.uk/government/publications/dbs-privacy-policies)

## 15. **HMRC TAX CHECK**

From 4 April 2022, applicants have responsibility to **provide a HMRC tax check code in certain circumstances** e.g. you have held a licence with another Licensing Authority or have held the same type of licence that ceased to be valid less than a year ago. You will need to confirm that you have been made aware of your responsibilities in providing such a code, if necessary, before any licence can be issued.

## **HACKNEY CARRIAGES**

On 7<sup>th</sup> September 2011 the Councils Licensing Committee agreed that no further hackney carriage vehicle licences would be issued unless there are extenuating circumstances. A review of this Limitation Policy will be undertaken on average, every 3 years. The Council will commission an unmet demand survey to determine whether there is any demand for additional hackney carriage vehicles within the Borough of Crawley. This Unmet Demand Survey is funded by the Hackney Carriage Trade and it has been determined by the Licensing Committee that there is no unmet demand, and as such, no further hackney carriage vehicle licences will be issued, other than the 123 already in place.

## **GENERAL GUIDANCE**

Upon receipt of an application for either a hackney carriage or private hire driver's licence, the Taxi Licensing Service will check through the application to ensure that it has been completed correctly and in full. If the applicant does not complete the application fully, it will not be processed and the application will be returned. **The application fee is not refundable.**

When issued, the Enhanced DBS Disclosure Certificate will detail all known offences to the Council as Licensing Authority. Any disclosed information may be used by the Council to determine whether an applicant is a 'fit and proper' person to be issued a licence to drive a licensed vehicle and operate as a licensed driver. (See above for "Fit and Proper" overview as well as the Councils Hackney Carriage and Private Hire Policy [Private Hire and Hackney Carriage Licensing Policy From 01042022](#))

The Council will give due consideration to the merits of each individual case and if further investigation is required, the 'disclosure certificate' and other relevant information may be retained on the applicants file until the outcome of the case, or for a specified time period. All files are kept in a secure environment and are only available to the appropriate staff. If no offences are disclosed the 'certificate' is destroyed.

Once all the relevant documentation has been completed and has been checked by the Taxi Licensing Service, the DBS, Taxi Code, DVLA and Home Office checks will be sent off for processing by the relevant agencies.

**Please note that on occasion, these checks can take a number of weeks and this is outside of the control of the Council as Taxi Licensing Authority.**

On return of the DBS disclosure, the DVLA driving licence check and any feedback from Border & Immigration, a Licensing Officer will review each response. If the Officer considers the records revealed to be acceptable and the applicant has passed all other aspects of the licensing process, the applicant will be notified regarding the details of the Knowledge Test.

If the DBS or DVLA checks reveal relevant cautions, convictions, warnings, fixed penalties, driving endorsements or if the Border & Immigration Service have concerns, or for "any other cause," the Licensing Officer may contact the applicant to arrange for an interview and the matter referred to the Health, Safety and Licensing Manager.

The interview will allow the Council as Licensing Authority to discuss the full circumstances concerning the matters arising. The applicant will then be offered the opportunity to put all explanations of such cautions, convictions, penalties, endorsements or incidents in writing, to support the application. After the interview has been completed, a report will be submitted

for the consideration at an Enforcement Meeting for a decision by the Head of Community Services.

The applicant will generally be invited to attend this meeting if they wish to do so. The applicant will be notified in writing of Council's decision as soon as possible afterward. Each application will be considered on its merits, but regard will also be had to:

- Whether the applicant is fit and proper to be granted or to continue to hold a licence
- The Councils Hackney Carriage and Private Hire Licensing Policy 2022 – 2026 Crawley Hackney Carriage and Private Hire Licensing Policy from 1<sup>st</sup> April 2022. [Hackney Carriage and Private Hire Policy 2022](#) onward and any subsequent revisions

Hackney carriage and private hire driver licences are normally granted for a period of three years, except in the following circumstances

A licence will be issued subject to the laws governing the licence and Council's own standard licence conditions/bylaws.

- Where, by exception, an applicant wishes to have a licence of shorter duration, a case will need to be considered by the Licensing Manager, Crawley Borough Council
- Where the applicant is due to retire or cease being a licensed driver
- Where an applicant's right to work visa is due to expire
- Where an applicant has failed to obtain an Enhanced DBS Certificate and/or has failed to register with the DBS Update Service as this is now mandatory.
- Where matters come to light during the currency of an application that impact upon whether or not a person is "fit and proper" to hold a licence.
- Where matters arise that the Manager, Health, Safety and Licensing considers it appropriate, in the circumstances, to issue a licence for less than three years.

## **FIT AND PROPER MATTERS**

In most cases where there are reasons to believe that enforcement action against a licence holder may be required the procedure to be followed is that set out in the Council's General Enforcement Policy (available on the Council's website at [www.crawley.gov.uk](http://www.crawley.gov.uk), in particular the procedure relating to enforcement meeting. The following should therefore be read in conjunction with, and is in addition to, the Council's General Enforcement Policy.

The Councils Hackney Carriage and Private Hire Policy, the latest version of which was adopted in April 2022, deals extensively with the issue of whether a person is fit and proper, relevant matters for consideration and enforcement, Applicants must read this Policy and make the necessary disclosures as part of the application process and during the currency of a licence. **However, if an applicant is seeking legal advice on a particular matter, they must seek and pay for such own legal advice. This Guidance is not exhaustive and it is for an applicant to ensure that they meet all of the requirements specified.**

**PLEASE NOTE THAT THESE GUIDANCE NOTES CAN BE UPDATED AT ANY TIME, ALONG WITH ANY INFORMATION PROVIDED IN THESE NOTES. IT IS THE APPLICANTS RESPONSIBILITY TO ENSURE THAT THEY READ ALL OF THE SUPPORTING INFORMATION, POLICIES AND PROCEDURES. FAILURE TO DO SO WILL RESULT IN DELAYS**
