#### VARIATION

Do you want the proposed variation to have effect as soon as possible?  Yes  No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes  No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

#### Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

11 bedroom hotel. Large front lawn. Car parking facilities at the rear with capacity for approx. 100 cars. Currently used primarily as an airport transit hotel however the intention of the licence extension is to attract private event trade after receiving substantial interest over the past 18 months. The current licence timings have deterred event trade converting due to the early finish times that would be imposed on weddings and private celebrations. A caravan site sits next to the hotel so we are aware that we must maintain good practices to prevent disruption to our neighbours.

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

All staff trained to ALP standard. Responsible neighbor policy in place. Think 25 policy, training, and log in place. Property covered by CCTV. All risk assessments and emergency plans in place, team trained and audited regularly.

b) The prevention of crime and disorder

During large events additional security staff will be hired. All staff will be fully trained to ALP standard. Staff on duty 24 hours a day. We will also join local crime prevention schemes, such as pubwatch.

c) Public safety

Fire detection and warning system in place and tested weekly, with log in place. Risk assessments and action plans in place and audited regularly. Emergency procedures in place, trained to team and tested/audited regularly.

d) The prevention of public nuisance

Good neighbor policy in place. We will also have a local community sounding group to allow locals to give feedback and recommendations. Staff will ensure use of outdoor areas is restricted after 11pm during standard operation.

e) The protection of children from harm

Think 25 policy in place. Staff also trained to be vigilant in regards protection of minors and to report anything untoward to manager.
