Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

We have a strict age verification policy at the heart of our operations to prevent underage sales. This includes layers of age verification and notices up to the point of sale, ensuring compliance with legal age requirements. Our terms and privacy policies are prominently displayed and include clear statements regarding our commitment to preventing underage sales.

The premises is fully equipped with an alarm system to deter criminal activities and ensure a secure environment for our operations - maintaining the integrity of our premises and safeguarding our stock.

The off-sales nature of our business means there will be no on-site consumption of alcohol, thereby significantly reducing the likelihood of public nuisance.

We are dedicated to ensuring the safety of the public through meticulous packaging of our cocktail sets, ensuring they are secure and safe for transit.

b) The prevention of crime and disorder

To ensure the promotion of the prevention of crime and disorder within our premises, Kelgray House, we have instituted a set of measures designed to mitigate any potential risks associated with our operations. These steps include:

Off-Premises Consumption: Our business model is strictly based on off-premises consumption. No alcohol will be consumed on-site, thereby eliminating the potential for disorderly behaviour or crime related to on-site alcohol consumption.

Discreet Operations: Our packing facility operates without any exterior advertisement or promotions, helping to safeguard our premises against criminal activities.

Security Measures: The premises is equipped with an alarm system, enhancing security and providing immediate alerts in the event of an intrusion. This system is part of our robust approach to ensuring that the premises remains a safe and secure environment for our operations.

c) Public safety

Our business model is strictly based on off-premises consumption, therefore the public will not be present on-site.

Risk Assessments: Upon taking occupancy of Kelgray House, we will conduct thorough fire safety and general risk assessments. These evaluations are integral to identifying potential hazards and implementing corrective measures to mitigate risks, ensuring the premises adhere to the highest safety standards.

Training and Education: All staff members will receive training on alcohol handling, health, safety, and hygiene processes relevant to their roles.

d) The prevention of public nuisance

Noise Control: We operate a private packaging facility, and won't be playing loud or amplified music, maintaining a quiet and respectful presence in the community.

Restricted Access: As detailed previously, customers are not permitted on-site. This policy not only eliminates public foot traffic and potential disturbances but also limits the risk of accidents or safety incidents within the premises.

Waste Management: Recognising the importance of environmental health, we will utilise appropriate commercial waste bins for the disposal of waste packaging. This ensures that our operations do not contribute to litter or pest attraction,

Continued from previous page...

maintaining the cleanliness and safety of the local area.

Building Security: To prevent any potential safety hazards, doors and windows will be kept closed where practicable. This measure is not only a security precaution but also helps in noise reduction and maintaining a controlled environment within the premises.

Deliveries: Deliveries and shipments will only be made during work hours, minimising disruption to the local community.

Lighting Considerations: There will be no bright lights outside the premises, preventing light pollution and ensuring that our operations have a minimal impact on the local community's setting and comfort.

e) The protection of children from harm

In alignment with the police representation from our previous premises license application with Horsham District Council (No: LI/20/0360/PREM), we will ensure:

Order: All off sales of alcohol will be ordered remotely by the customer (by phone, email, online etc) with customers not attending the premises in person either to view, purchase, order or collect alcohol.

Training: The Premises License Holder shall ensure that all staff members (including friends and family members) engaged or to be engaged, in selling alcohol at the premises shall receive induction training.

Age Verification: The age verification policy (including challenge 25) shall be advertised during the order process. At the time the order is placed a declaration will be required from the person placing the order that that person is aged 18 and over, and that the intended recipient are aged 18 years and over.

Delivery: Alcohol deliveries will only be made to a residential or business address and not to a public place. For deliveries where the alcohol is delivered by a third party, the alcohol is concealed in a secure sealed package, and the DPS has no direct supervision or control over the delivery (such as an independent courier or Royal Mail), there cannot be an age verification challenge on delivery, but the above conditions will be followed.

For deliveries made directly by the DPS or their employees, staff or agent or persons instructed by the DPS/PLH, the person accepting the delivery must be aged 18 years and over. Where the person accepting delivery appears to be under 25, a recognised photographic ID must be produced prior to delivery. No ID, no delivery.

Where the premises contracts a third party to deliver alcohol on their behalf and the person collecting the alcohol from the premises delivers it directly to the customer within a short timescale (such as Deliveroo, Just Eats), the premises will ensure that the third party:

- only employs delivery employees or agents aged 18 and over;
- is aware that alcohol is included in the delivery;
- that the delivery person actively engages with the person receiving delivery and operates a challenge 25 policy rather than just handing the delivery over;
- that in the event that the recipient of the alcohol is challenged for ID and does not provide appropriate and valid ID, the delivery person will retain the alcohol and return it to the premises.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
