(Free Admission for Crawley's Talented Sportspeople)

WHAT IS FACTS?

FACTS is an initiative which provides FREE training at K2 Crawley to athletes of county or regional standard. The scheme is valid for one year from the date of issue. Members may occasionally be asked to assist Crawley Borough Council in the promotion of its activities.

WHO IS ELIGIBLE?

Any current county/regional selected athlete from any sport (with a recognised governing body) and age group is eligible to apply for consideration. Governing body evidence must be provided with the application. You must be either a resident of Crawley or an athlete belonging to a Crawley based club to be eligible for FACTS.

A positive decision will depend upon the overall residency of club members, the club's overall subscription to FACTS and the representation of your sport within the initiative as a whole. The council's decision in this matter is final.

If in doubt, please check the [Sport England website](#) to ensure your sport has a recognised governing body.
